Words from the Coach

Tonight, in the final game of our inaugural Alliance season, we welcome Bradford Northern in a game postponed last month because of Northern's involvement in the Alliance Challenge Cup.

Northern were eventually beaten in the final by Hull FC but their performance was nevertheless creditable for a second division team.

Doncaster's victory over Trafford Borough last Saturday, coupled with our own win over Huddersfield on the previous evening, ensured that the Eagles will finish in eighth place, whatever the result of tonight's match we have something to build on and with next season's advantages of a regular home venue and a young, developing team, we hope to be pressing for promotion in 1990/1991.

SPECIAL THANKS TO HOWARD, DICK AND
